To Whom It May Concern:

RE: AccuRite Excavation & Hauling, Inc.

We have been asked by our good insured, AccuRite Excavation & Hauling, Inc., to provide you with their current experience modification factor.

The 11/17/2025 Experience Mod Factor is 0.91

Their great safety record and loss control is projected by the excellent loss history, which is reflected in the experience modification factor.

We highly recommend them for any work you might consider AccuRite Excavation & Hauling, Inc. to do for you.

Should you have any questions, don't hesitate to call me.

Sincerely,

Megan Flint
